MIGRATION COUNSELLING

for all those who need help

What is this project about?

Our migration counselling service includes a consultation hour, counselling by appointment, individual and family counselling for people with a history of migration and flight who live in Osnabrück.

We advise you:

My name is Simon Ritz and I will be happy to advise you, especially on the topics of language acquisition, integration, education and upbringing.

My name is Mirco Brönstrup. I will be happy to advise you on social issues, housing and residence law.

About us

With our work, we want to make a contribution to a resilient, inclusive democratic society. We see our most important task as finding answers to the question of how social cohesion can succeed today at a local, regional and national level through innovative projects. Our range of services includes project work, learning support, language support and child and youth work programmes.
